

## Membership

NETWORKING4PROFESSIONALS.COM is a membership-based network of professionals and entrepreneurs. We facilitate business and professional connections with real people in the real world.

### Why become a member?

By becoming a member you get access to a wide network of like-minded business professionals, and you can interact both online and off-line. In addition, Full Membership provides you with opportunity to:

- Attend networking events and the guest speaker presentations for FREE
- Access to the members-only lounge, which enables you to:
- Create a personal/business profile and view other members profiles
- Instant messaging to other members
- Participate in forum discussions
- Write a blog style article
- Browse through a range of jobs
- Create and share knowledge through the knowledge centre

### Become a member

To register on our website is FREE. This gives you limited access to some of the features on our website. To register, simply click the register button on the right and complete the short form. Registration on the website does NOT constitute membership of NETWORKING4PROFESSIONALS.

To become a member please select a membership type from the Membership options and complete the application and payment form. The application can take up to 24 hours to be processed.
